Subject:- Locking of door of Circle office at 10.30 am at Raipur CGMT office.

Respected Madam,

Continuously we are receiving the information regarding peculiar steps are taken unilaterally by the CGMT Chhattisgarh, Raipur.

We enclose herewith a letter from our Circle Secretary Chhattisgarh addressed to the CGMT which is crystal clear regarding unwanted and provoking approach of the CGMT Chhattisgarh.

It will not be out of place to mention that when the biometric system of attendance is already in existence the reason of locking the door is not at all logical rather it is beyond the rules and norms also. The biometric system may catch the late attendance of employee and they may be treated under the rules provided in the matter but locking of the door is snatching the right of workers to attend their duty.

We feel that your kind immediate intervention in the matter may establish the harmony and peace which is going to be ruined by the unilateral and arbitrary act of the CGMT Chhattisgarh.

With profound regards,

Yours faithfully,

(Chandeshwar Singh)
General Secretary
