Subject:- Periodic maintenance of Towers – reg.

Respected Srivastava Jee,

We are enclosing a copy of CGMT, Maharashtra letter dt-14th May, 2018 regarding maintenance of towers. As per information expenditures under this item are Rs. 30,000/- per tower. The union has no objection as for as tightening of nuts and bolts are concerned but appalled to note that even colouring of towers are also being done when BSNL is facing financial crunch. The work of tightening of nuts and bolts can be carried out within Rs. 10,000/-per tower.

We are reasonably aggrieved and hurt on the avoidable expenditures which are being incurred due to obvious reasons. Can we afford such affair when the payment of salary staff is being deferred and revenue is reducing. We very strongly feel that the management is not feeling financial constraints of the company otherwise orders for such expenditures would not have been issued.

We entreat upon you to please intervene and prevent the wasteful expenditures.

With deep regards,

Shri Anupam Srivastava
CMD
BSNL
New Delhi.

Yours sincerely

(Chandeshwar Singh)
