(Regn. No. 4906 dated 17/9/2001)

MS-II, Q. No. 21 & 17, Atul Grove Road, New Delhi-110001

TF-14/2(b)

Dated:- 18-04-2018

To,

Director  
(HR)  
BSNL, New Delhi.

**Subject:-** Relaxation in the educational qualification for eligibility to appear in LDCE for promotion to Telecom Technician Cadre (erstwhile Telecom Mechanic).

**Refce:-** Item (2) of 35<sup>th</sup> National Council meeting held on 11<sup>th</sup> May, 2017.

Respected Madam,

In the National Council meeting the reply given to staff side on the item is appended below for perusal and ready reference.

"..... Taking into account the persistent demand from the representative unions for granting relaxation in the educational qualification a proposal for the revision of the RRS of Telecom Technicians for introduction of a pre-qualification test for each LDCE for those candidates who do not possess 10<sup>th</sup> standard qualification is being considered".

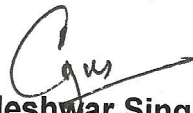

We wish to acquaint you that even after lapse of almost a year no headway has been made into the matter despite assurance in the NC meeting. It may be recalled in the said meeting in the opening remarks the chairperson very categorically stated that the settlement of staff problems and grievances would receive priority of the management. We leave it to you to decide if it is being followed at lower level management in real spirit.

Kindly intervene to get the process of settlement accelerated as assured in the Negotiating Machinery.

This is in continuation of letter No. even dated 11<sup>th</sup> Feb, 2018.

With kind regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
