**Subject:-** Upgradation of Senior Accountants Cadre to Executive Grade – reg.

Respected Madam,

After meeting of the Standing Committee of National Council on 24<sup>th</sup> instant we met and apprised you about the progress of items specially relating to upgradation of senior accountants to executive grade. The establishment branch of corporate office was required to suggest executive grade but instead of this they have raised irrelevant points to delay the settlement of the matter. The Dy. GMT(establishment) has told in the meeting as below.

- (1) There is "Stay" in the Court at Lucknow.
- (2) Presidential orders issued for non-executive cannot be applied for executive grade as per DOT's orders.

We may submit that there is no "Stay" on the decision of the hon'ble Court and same relates to contempt proceeding filed by petitioners for delay in implementation of the legal verdict. The DOT has already granted group 'B' states to Sr. Accountants and also communicated that the issuance of fresh PO is not needed. In the situation we are deeply hurt over the unwarranted objections raised causing avoidable delay in settlement of the matter. If we recollect correctly you appreciated our grievance during in the informal meeting.

Therefore, we implore upon you to please intervene urgently and get the issues sorted out so that the long pending grievance is resolved.

With deep regards,

**Smt. Sujata Ray**

Yours sincerely,
