In this connection our circle union A.P. addressed some genuine issues for peaceful bifurcation and shifting staff from Telangana circle office to A.P. circle office. Some excerpts are here under.

- (I) Recognised unions may be given opportunity to place their views in respect of HR issues or a member from each union may be allowed in the committee formed for the purpose.
- (II) Some valid views for shifting of staff from Telangana circle office to A.P. circle office stage by stage.
- (III) Applicability of GO MS No.-101 & 125 of A.P. Govt. to BSNL staff who are being migrated to the Vijayawada from Hyderabad from bifurcation of A.P. & Telangana circles as done in case of A.P. and Telangana states.

Therefore, Madam we humbly request you to consider the issues stated above and cause peaceful bifurcation of two circles. The letter addressed by the circle Secretary A.P. – NFTE enclosed herewith favour of consideration and directions to the concerned CGMs.
