Sub: - Authorization for deduction of unions subscription online basis-reg.

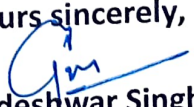

Sir,

We are reasonably aggrieved over the change of authorization procedure for deduction of unions subscription in respect of non-executive employees. The "SR Cell" which is expected to consult the union before change has ignored and issued unilateral orders. We record our strong protest on such approach and make it clear that such attitude will spoil the cordial relation between unions and the management. Moreover, it is completely in departure of past policies. A question arises who will accept the request option for union. It is purely look out of the unions representative to accept the membership or deny. Interested quarters will get opportunity to favor particular union.

Under the circumstances we request you to please intervene to rescind the orders contained in SR Cell. Letter dt-05-06-2023 and restore the original procedure.

With kind regards,

Yours sincerely,

(Chandeshwar Singh)
