

D.O.No.2023/Tele/Misc.

Dated: 09.08.2023

Dear Shri Purwar,

It gives me great pleasure to acknowledge and deeply appreciate the challenging work of providing connectivity at 508 locations with 50 MBPS ILL under Amrit Bharat Station Scheme which had been planned for inauguration on 06.08.2023. The implementation was well planned & your officials were very proactive, which resulted in commissioning 95% circuits by 01.08.2023 itself despite the fact that the request was made on 28.07.2023 only.

The entire BSNL team across India collaborated and coordinated with Railways at various levels which finally led to the success of the grand event.

I would like to convey my best wishes to you and your team and wish them to keep this rejuvenated spirit in all the future times to come.

Warm regards,

(ARUNA SINGH)
