BSNL Board

D.O. No. 3/02/BSNL/CO (BW)
Dated 6th March, 2020

Dear all,

We have fixed a target of earning at least Rs.1000 Cr. by way of leasing out our buildings and office premises in the year 2020-21.

After successful completion of VRS, about 78500 employees have already left us leaving lot of vacant office spaces. You are requested to reorganize office spaces in such a way that at least 50% of office buildings are vacated and offered for renting out. Our offices can be shifted from commercial areas to not so commercial areas.

All out efforts are required from your side. A report detailing all available space will be issued by CGM (BW) who will be in-charge and driving force behind the project.

With regards,

Yours sincerely
