**Subject:-** conversion of land line concessional Telephone of working & retired employees of BSNL – reg.

Respected Sir,

We have come to know that under the service policy of BSNL management, the land lines are being converted into FTTH. The concessional Telephones facility provided to the employees are started to be closed unilaterally without alternate provisions to continue the facility.

In this regard we have to submit that the land line provider to employees should be converted by FTTH on no cost with some concession in call and data as it was provided carrier.

We therefore implore upon you to kindly look into the matter with sympathetic consideration and kindly make arrangement to convert the concessional Telephone of employees by FTTH.

With profound regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
