Subject:- Discrimination with the non-executive employees with regard to reimbursement of cost of GSM Mobile handset.

Respected Sir,

We welcome the decision of management committee of BSNL to approve the revised reimbursement cost of mobile handset but we feel unhappy that the non-executive employees have not been taken under consideration even for first time for the reimbursement.

Sir, you may appreciate our view that as per the guideline of BSNL headquarters. The JEs are deployed in place of JTO and TTs are looking after the work of JEs. The important feature is that all the non-executive employees are also working in commercial, marketing, transmission wings and provisioning of FTTH and making in and out of their attendance through mobile and it is mandatory for all the staff.

Hence ignoring non-executive employees to having the small help for reimbursement of mobile hand set is neither fare nor justified.

We, therefore, implore upon you to kindly take up the issue in positive prospect and arrange to implement the similar order for reimbursement of mobile handset for the non-executive employees also in name of similar treatment and justice.

With regards,

Yours faithfully,

(Chandeshwar Singh)
