(1) To popularize the “9pm to 7am” free call concession from land line and “Free incoming calls on roaming”, month long campaign extended for one more month.

(2) To popularize month long campaign, all circle Forum’s should meet before 03-07-2015 and District level Forum’s should meet before 06-07-2015, to finalise steps for successful implementation of the campaign.

If the said “Free call concession” and “Free incoming calls on roaming” campaign not successful, will result in massive loss to BSNL. So, we request all Circle/District Secretaries to take much initiative alongwith other unions to make the programme a success.

(3) “Post Card Campaign” from 10th August to 12th August:- After completion of 2 days successful strike on 21st and 22nd April 2015, the Govt has not taken any meaning full steps for revival of BSNL. No other improvement has come on any other demand, except in the mater of 78.2% IDA merger. So, Forum decided to conduct post card campaign from 10th August to 22nd August 2015. All the employees are requested to write individual card to Hon’ble Communication Minister IT, for the revival of BSNL.

Text of the post card:- “Honble Minister of communication & IT is requested to immediately settle the demands submitted by the Forum, for the revival of BSNL”.
