Sir,

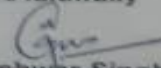

Thanks for seeking our suggestion on the proposal. This has been an item in last National Council sponsored and perused by our union. We are offering following suggestions for appropriate action.

1. The scheme should be optional. In case of promotion to Executive grade there should be option for change of term plan.
2. The premium below 50 years of age is slightly bigger in comparison to other companies. It may be negotiated for 1.6 or 1.7 per thousand.
3. Further if possible another option for risk cover amounting of Rs. 50/- lakhs be explored with different premium.

We request you to please take urgent action for finalization of scheme as it is already much delayed.

Thanking you,

Yours faithfully
