Sub: Plight of Assistant Telecom Technicians(former RMs) placed in Lineman Scale for want of vacancies in Telecom Technician cadre vis-a-vis up gradation of ATTs directly.

Sir,

It is submitted hat such ATTs who passed the TT examination but placed in the lineman scale for want of vacancies are placed in disadvantageous position in comparison to those who are directly promoted in NEPP after completion of fixed period of service. The qualified person in LM scale get TM scale after reversion to parent cadre whereas non-qualified get direct upgradation. The upgradation under NEPP is from scale to scale and post based promotion is from post to post. We feel it is unscheduled discrimination against qualified personnel in fixation of pay by reversion to substantive post. This does not appear fair and the competition should not be discouraged. The DOTs intervention is needed at least for one time measure.

Kindly therefore take appropriate action in the matter in larger interest so that qualified personnel are saved from disadvantages in promotion from post to post.

Thanking you,

Yours Sincerely,

(Chandeshwar Singh)
General Secretary
