**Sub:- Review of Result of JAO LICE held on 17<sup>th</sup> July 2016 against 40% Quota.**

R/Madam,

It has been reported that in the above mentioned LICE many questions were wrong and discrepancies have taken place in question paper as well as in answer key. Surprisingly result has been declared without reconciling the discrepancies of question papers and answer key. This has put the candidates in disadvantageous position. Moreover vacancies also could not be filled up.

Kindly, therefore get the results reviewed after correcting the mistakes. We are also enclosing a detailed note of mistakes along with necessary annexures in support of our demand.

With best regards

Yours Faithfully

  
(Chandeshwer Singh)  
General Secretary
