The meeting seriously discussed about the stalemate in the settlement of the Wage Revision issue. This stalemate is created by the Management which wants to cut down the pay scales already finalised in the Wage Negotiating Committee meeting held on 27.07.2018, through consensus between the Management Side and the Staff Side. This has created stalemate in the settlement in the Wage Revision issue.

In today's meeting, the various options were explored for the early settlement of the Wage Revision. At this juncture, the Joint Forum is of the opinion that, the option of going on a strike has to be explored, for settling the Wage Revision. In this connection, the meeting decided to hold wider consultation with all the Unions and Associations. Further, the meeting also decided that the Chairman and the Convenor of the Joint Forum should approach the Executives' Associations for united action, to settle the Wage Revision without further delay.
