Subject:- JTO LICE declared on 11-12-2019 for year 2017-2018.

Sir,

It is stated that the JTO LICE, held on 26-05-2019, result declared on 11-12-2019 has created serious dissatisfaction and frustration amongst the concerned staff. The successful candidates are to tune of less than 25%. In some circles numbering six the result has been zero. This situation is due to fact that some questions were out of syllabus and also not commensurate with the level/standard. There is ambiguity in question No.-35 of part 'A'. The option 4 is correct answer but it has not been accepted (.....Annexures I and II).

The result in respect of S/C S/T candidates also needs another look.

We request you to please get the matter reviewed and award adequate relaxation marks in Part A, B and aggregate. The intention of LICE should not be to deny the candidates from the success as it will create demotivation.

Thanking you,

Yours faithfully,

(Chandeshwar Singh)
General Secretary
