Subject:- LICES for promotion to Telecom Technician, Junior Engineer (T), JTO/JAO
cadres -reg.

Respected Sir,

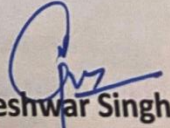

In course of formal meeting of 18th and 25th August 2021 the management side stated that the notification for LICES for promotion to different cadres will commence from 15th September 2021, although the same is changed and in place of above "soon" has been incorporated in the minutes. More than a month has elapsed since then but it is not implemented. We are deeply aggrieved over such approach of management in settlement of staff grievance. You will please appreciate the hurt feeling of employees as for more than ¾ years LICES have not taken place of some cadre and the legitimate claims of the staff are being denied systematically.

We once again solicit you to kindly intervene and get the LICES notifications notified in the interest of harmony and peace in the PSU. Non-executives are second to none in running the services.

With regards.

Thanking You.

Yours Faithfully,

(Chandeshwar Singh)
General Secretary
