TF-19/4

Dated:-27-09-2022

To,

Hon'ble Prime Minister
Govt of India
New Delhi.

Subject:- Launching of 5G Mobile service – reg.

Hon'ble Sir,

It is matter of great pleasure to know that your kind honour will inaugurate the launching of 5G mobile services by private Telecom Companies on 1st October, 2022. Incidentally this will be the 23rd foundation day of our giant organization, BSNL.

However, we are deeply concerned with the developments and consider it appropriate to approach your goodself with the facts in this regard for intervention.

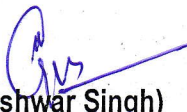

Sir, it is very respectfully submitted that on 23rd October, 2020 the Cabinet decided to allocate 4G spectrum to BSNL for launching of 4G Mobile service. Almost two years have elapsed since then but the PSU could not launch the 4G Mobile services due to restrictions imposed by the Telecom Ministry. Thus the Govt Company and the workforce are helpless to provide speedy 4G mobile service to the public. This is adversely affecting the image of our performance as well as customers base.

We, therefore, entreat upon your kind honour to please intervene to enable the PSU to start 4G Mobile Service at the earliest.

We will be grateful for a line in response.

With kind regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
