

President and GS met the Director(HR) and raised the following issues:-

(I) National Council meeting:-

The NC meeting was due in December, 2014 but it could not materialize. Pressed for holding of meeting by 1st week of April. The Director (HR) was not aware that items of agenda have been submitted long ago to SR Cell.

(II) Deolittee recommendations:-

The union leaders conveyed their anguish and anger over approval of consultant's recommendations by board without taking the unions into confidence. This has been done due to rigid attitude of DOT's nominees in the meeting of 26th February.

(III) Settlement of issues pending in the Board:-

Director (HR) indicated for settlement in April, 2015.

(IV) Promotion of Deptl Candidates to the Cadre of TTA:-

The union impressed upon the Director (HR) to issue orders to the effect that the successful Deptl candidates be promoted to TTA Cadre in their parent SSAs. Director (HR) responded favorably.
