Sub:- Utilisation of non-executive staff for outdoor duties instead of planning sections etc. at Circle/BA levels – reg.

Sir,

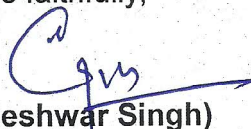

Vide item h(3) of Corporate Office letter No. 1-6/2018-Restg (Pt)dated 27.12.2019 orders have been issued to the effect that the non-executive employees particularly JEs and JTOs of executive category should not be utilized in planning section in Circle/BA offices and these personnel be engaged for outdoor duties. However, there is no mention about the Corporate Office where technical executives are in abundance and beyond the norms and prescribed strength. There are also such officials who are on deputation beyond the prescribed maximum period. We are unable to understand why the same orders are not made applicable in respect of Corporate Office.

We may further state that there is shortage of executives in the field and the condition will become more pathetic after January, 2020 after the implementation of the VRS-2019. It will be appropriate to utilize the technical staff in outdoor duties to the optimum instead at BSNL HQR.

Kindly, therefore, get the matter reviewed and ensure that the orders contained in item h (3) are made applicable from top to bottom. The executives should not be retained in Corporate Office beyond the strength of 1st October, 2000 at the time of formation of BSNL.

Thanking you,

Yours faithfully,

(Chandeshwar Singh)
General Secretary
