Subject:-Pay revision of non-executive employees in BSNL - resolution reg.

Sir,

A meeting of National Executive Committee was held from 3rd to 4th Nov. 2023 in which Circle Secretaries and Central Office bearers participated. The delay in wage revision was discussed at length and a resolution adopted. There is deep frustration and resentment amongst work force due to non-finalisation of issue on the plea of affordability clause. The PSU being in strategic section has to fulfill social obligations as such the affordability clause needs relaxation. More than 50% non-executive employees are stagnating on the maximum of their pay scales causing agony to them.

Further the IDA has crossed 200% and needs automatic merger.

Therefore, we request you as under -

1. Necessary steps be taken for relaxation in affordability clause;
2. The concerned Ministry be approached for 50% IDA merger;
3. Wage revision Committee meeting in BSNL should commence forthwith.

With best regards.

Yours faithfully

(Chandeshwar Singh)
General Secretary
