Subject:- Replacement of copper lines by FTTH – reg.

Sir,

We heartily note that the existing copper lines are being replaced by FTTH connections and the work is on war footing. The quality of service will definitely improve to great extent.

However, the serving employees as well as retired personnel are deeply concerned that their free residential connections will be chargeable. In this connection we invite your kind attention to our letter No.-TF-19/3, dt-20-10-2023 and TF-19/3, dt-09-01-2024 stating that the all the employees should get free FTTH connections as before. The present charges prescribed in BSNL Headquarter letter No.-BSNLCO-ADMN/80/1/2020-ADMN, dt-19-01-2024 are too high and these need relook.

Kindly, consider our request sympathetically to avoid resentment amongst the employees including retired personnel.

With kind regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
