**Subject:-** Retention of union office accommodation in earlier allotted residential quarter at circle unit – reg.

Respected Madam,

According to BSNL policy in respect of union accommodation which is functioning earlier in allotted residential quarter has to be vacated.

In this regard we have to submit that very few circles below three/four in number are having accommodation in residential quarter and that too have been allotted due to paucity of required space in circle offices.

A good numbers of quarters are laying vacant and its doors and windows are being stolen by the un social elements and some quarters at some places have been occupied by the outsiders. In such a situation dislocation of our union accommodation at circle level is creating heart burning and it is felt that the management wants to weaken the unions.

We, therefore, request you to kindly review the issue of vacation of union accommodation and allow the circle unions to function on payment of license fee, Electricity bills, Water bills like head quarters of unions.

We will feel obliged for a favorable decision in the matter.

With regards,

Yours faithfully,

  
(Chandeshwar Singh)
