To,

Hon'ble Ravishankar Prasadji,  
Minister of Communication & IT,  
New Delhi.

Subject : Revival of BSNL.

Respected Sir,

The Cabinet Meeting of 23rd October 2019 has taken a clear decision for Revival of BSNL which ensures launch of 4G services and Land Monetization alongwith issuing of Bonds for Rs.15,000 Crores. In this regard it is brought to your kind notice that the said Revival Plan is yet to be implemented.

It is also learnt that Government owned Telecom Company BSNL is passing through very critical financial crisis. Revenue is dastrically reduced, no salary of employees being paid in time, contract labour payment is inordinately delayed, medical claims of employees are also delayed amidst COVID-19 Pandemic situation.

Sir, as you know that survival of BSNL is essential for price regulation, social service, national security, wider internet penetration and service to the common man. I earnestly request you to look into the matter to implement BSNL Revival Plan approved by Central Cabinet in Oct. 2019. Also BSNL 4G Services may kindly be launched at an earliest.

Your's sincerely,

Dr. Bhagwat Karad

Chairman - M.D.B. (Cabinet Minister Status)
