## **MESSAGE**

I am glad to learn that a 21-Day Free Yoga Programme is being organised for the BSNL family, commencing on Monday, 21st September 2026. I warmly welcome this initiative and am happy to extend my wholehearted support to it.

In today's demanding work environment, caring for our health has become more important than ever. BSNL employees work round the clock to serve the nation and keep the country connected. Amidst professional responsibilities and daily pressures, a regular Yoga practice offers a simple and effective way to maintain physical fitness, reduce stress, sharpen concentration, improve sleep, and enhance energy, positivity and productivity. Yoga is not merely an exercise. Maharshi Patanjali defines it in the second aphorism of the Yoga Sutra as "Yogash chitta-vritti-nirodhah" — Yoga is the stilling of the restless movements of the mind. It is a way of life that brings body, mind and breath into harmony.

India has given Yoga to the world, and through the International Day of Yoga it is today practised across continents in the spirit of "Vasudhaiva Kutumbakam" — the world is one family. Let us, as members of the BSNL family, also make Yoga a part of our daily routine and take a positive step towards better health and well-being.

It is particularly heartening that the sessions are being conducted by a member of our own BSNL family, Shri Sunil Kumar Chandolia, SDE, a Government-certified Yoga trainer, who has volunteered his time and expertise for the benefit of his colleagues. Such initiative from within our own ranks deserves appreciation and every encouragement.

Employees are encouraged to join the online live sessions daily from 21<sup>st</sup> September 2026 to 11th October 2026, daily.

Let us take this simple step together, in the spirit of the ancient benediction "Sarve santu niramayah" — may all be free from illness — towards a healthier

*BSNL family: Healthy Employees, Stronger Organisation, Brighter Future.*
