Subject:- Farewell function to employees retiring from service w.e.f. January 2020 onwards.

Refce:- 25-7/2019-BSNL(WL), dt-08-01-2020.

Respected Sir,

We wish to draw your kind attention towards the letter issued vide number and date cited in reference. Through, this letter a revised rates of memento, Shwal and cash gift have been circulated to field units.

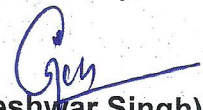

In this connection, it is submitted that the earlier rates were fixed though a meeting of BSNL welfare board and the revision has been done unilaterally by the administrative order. It is not a fare play for better staff relation.

We feel, that due to financial crisis in Company the cash gift is stopped totally taking view of large retirements on VRS, but at other hand these VRS retirees have also served the DOT/BSNL for a long period of their life. Hence denial of small gift of Rs 3001/- is not looks fare, rather it looks depriving for VRS and other retirees.

We therefore, implore upon you to review the decision in name of pleasant good bye to thousands of staff.

With deep regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
