Subject:- Removal of stagnation though evolving a new promotional mechanism on matching – saving formula.

Respected Sir,

Most respectfully we wish to above draw personal kind attention towards the suffering of CSS staff working at BSNL Corporate office.

- (1) At present total number of LDC, six only and all are facing stagnation.
- (2) Total number of UDCs are 42 and most of them are facing stagnation.

The future carrier of progression and promotion of these officials are totally blocked.

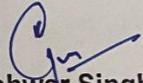

We appreciate the contribution of CSS staff in day to day work at Corporate office. Now, further there will no recruitment in these Cadres. In the circumstances it is requested that some special mechanism may kindly be evolved to give relief to these staff.

It is our humble request that through a screening test these official may be promoted in next higher scale before attaining the age of 55 years and after their promotion their previous post may be abolished.

We, believe that our submission may kindly be considered in right prospective to motivate the suffering staff of CSS.

With deep regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
