Respected Sir,

We appreciate and thank you for your good efforts for the Resolution of setting up of 3rd PRC for the Executives of PSUs.

This letter is to request you to recall the earlier decisions regarding issuing guidelines for Bilateral Negotiations with the Unionised Workers. The 7th Round guidelines were issued well before the Resolution of 2nd PRC.

Unfortunately guidelines for 8th Round is yet to be issued, even after issuance of 3rd PRC Resolution and even after 10 years periodicity. The earlier guidelines issued regarding periodicity that it may be even less than 10 years are also not taken care of. This causes heartburns amongst the Unionized Workers.

Kindly address the issue at the earliest so that all the concerned ministries will give their nod to the respective PSUs to constitute Bilateral wage Negotiating Committee.

Yours Sincerely,

(Chandeshwar Singh)
General Secretary.
